

The 3rd
ICETIR 2021
International Conference On Engineering, Technology and Innovative Researches

"Sustainable Engineering and Technology for Reshaping Our Community"

International Conference on Engineering, Technology and Innovative Researches

Number: 149/3/P-ICETIR/IX/2021

CERTIFICATE

This certificate is awarded to

*Dyna Marisa Khairina, Ramlawati, Heliza Rahmania Hatta, Muhammad Rivani
Ibrahim, and Septya Maharani*

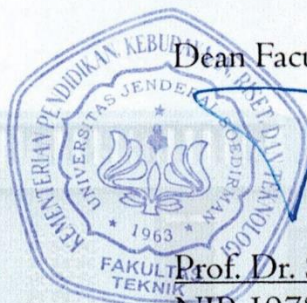

in recognition of valuable contribution as PRESENTER in The 3rd International Conference on Engineering, Technology and Innovative Researches (ICETIR) with paper entitled:

Decision Making Model Amount of Water Production with Comparison Double Exponential Smoothing and Triple Exponential Smoothing

Organized by Faculty of Engineering, Universitas Jenderal Soedirman

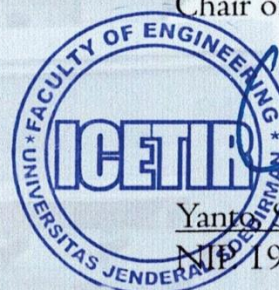

September 1st, 2021 at Purbalingga - Indonesia

Dean Faculty of Engineering
