### To Whom It May Concern

086/UnivMed/XII/2021

We would like to thank Dora Dayu Rahma Turista, STIKES Hutama Abdi Husada Tulungagung, Indonesia for providing his services as a reviewer for a manuscript submitted in our Journal titled:

***“The Effect of Lifestyle on The Development Anti-SARS CoV-2 IgG After Vaccination”***

Dora Dayu Rahma Turista selected as a reviewer keeping in mind our editorial policies for review which state that the reviewer should be a professional who specializes in the same research area as represented in the paper as well as possesses significant expertise in his field. The reviewer should be fair, non-biased and should be responsible too.

The comments on the manuscript made by Dora Dayu Rahma Turista, were highly valuable and helpful for editorial board in evaluating the scientific integrity of paper hence ensuring high level publications.

Sincerely,

Editor in Chief

Prof. Dr. dr. Adi Hidayat, MS
