Jurnal Kepariwisataaan: Destinasi, Hospitalitas dan Perjalanan (ISSN 2477-3808; e-ISSN 2721-4753) is a peer-reviewed journal which is published by Sekolah Tinggi Pariwisata Bandung (Bandung Tourism Institute). **Jurnal Kepariwisataaan** aims at initiating and stimulating advances in hospitality and tourism research. Therefore, it publishes papers that promote new ideas, models, approaches, and paradigms by contributing to the advances in knowledge and theory of hospitality and tourism.

The journal covers applied research studies and review articles, both in a format of the full-length articles and research notes. Applied research studies are expected to examine relationships among variables relevant to hospitality and tourism by employing appropriate analytical or statistical techniques. High-quality review articles that address the latest advances and develop theoretical knowledge or thinking about key aspects of hospitality

and tourism are accepted. Research notes are short articles that report advances in methodology, exploratory research findings or extensions / discussions of prior research. **Jurnal Kepariwisataaan** will also welcome commentary in response to published articles.

All papers are subject to a double-blind peer-review process based on an initial screening by the editor criteria for evaluation include a significant contribution to the field, conceptual quality, appropriate methodology and clarity of exposition.

Jurnal Kepariwisataaan has been accredited **PERINGKAT 3** or **SINTA 3** on August 3, 2020, by

Abstract

It is difficult to demand employee productivity, especially when Covid-19 limits social interaction. Continuous extra attention needed so that employee performance gets optimal evidence. By
