Dear Dr. Indah Prihatiningtyas,

I am writing to you as Editor-in-Chief of *Environmental Engineering and Management Journal*, edited by the Department of Environmental Engineering and Management under the aegis of the "Gheorghe Asachi" Technical University of Iasi since 2002. Our journal is published monthly, in 12 issues. In 2007, it was included in Science Citation Index Expanded and Web of Science. Also, the journal is covered by SJR, SCOPUS as well as other international databases (<http://omicron.ch.tuiasi.ro/EEMJ/>).

Journal Citation Reports published the impact factors of *Environmental Engineering and Management Journal* since 2009. The Impact factor for 2020, published by JCR in 2021 is 0.916.

As an author of papers in the field, I'd like to ask you to evaluate a paper sent for publication in our journal. We would be very grateful if you will find some time to evaluate the paper in **two or three weeks**, if possible.

Please find attached **the abstract, the evaluation form and the Instructions for authors**. Any notification on plagiarism tentative would be very valuable for us.

If you will agree to evaluate the paper, please let me know by a message sent on this e-mail account. If not, please inform us and/or recommend any of your friend or colleague interested in the evaluation of the attached manuscript.

Best regards,**Maria Gavrilescu**
