7 July 2017

Dear Mr. Angga Cipta Narsa,

On behalf of the organizing committee, I am pleased to inform that based on review by the scientific committee, your abstract entitled “**Comparison of Different Methods for Purification of Gold nanoparticles–Polyamidoamine (PAMAM) Generation 4 Dendrimer**” has been accepted for **oral presentation** in the 4th International Seminar on Chemistry 2017 (The 4th ISC-2017) in Bandung, Indonesia, which will be conducted on 28-29 September 2017.

We will publish selected papers in a special issue of “**Research Journal of Chemistry and Environment**” (e-ISSN 2278-4527; p-ISSN 0972-0626, indexed by Scopus). Therefore, for participants who want to publish their paper in the journal, please prepare the manuscript according to the author guideline provided by the publisher, which can be found here: <https://worldresearchjournals.com/instoauthor.aspx>. The full paper manuscript should be accepted by the organizing committee not later than 25 August 2017.

For those who want to pay early bird fee, please do so before 18 August 2017. After the indicated date, normal payment fee will be applied. The last payment date is on 18 September 2017. No on site payment will be accepted. Participants who fail to pay before the due date is considered withdraw themselves from the conference program, and the abstract will not be included in the program book.

Final conference program, practical information, and updated information are also available on our official website.

We will be waiting forward meeting you at the seminar venue. Wishing you a very successful scientific event.

Sincerely yours,

ISC-2017

Yth. Peserta the 4th International Seminar on Chemistry 2017,

Hari ini penerbit Research Journal of Chemistry and Environment akan mengunggah artikel yang telah diterima untuk di terbitkan di laman <https://www.worldresearchersassociations.com/> dan klik "journal" kemudian pilih "special issue II August 2018". Mohon agar artikel terkait di periksa dan jika ada perbaikan mohon agar saran perbaikan dikirimkan kepada penerbit melalui e mail journal@worldresearchjournals.com dan salinan e mail tersebut dikirim ke isc.fmipa@unpad.ac.id. Sebagai informasi, aturan penulisan nama yang diterapkan oleh RJCE adalah nama belakang diikuti oleh nama depan dan nama tengah. Jika dalam waktu 24 jam tidak ada perbaikan dari penulis, maka artikel yang telah diunggah pada laman tersebut tidak dapat diperbaiki lagi.

Terima kasih atas partisipasi bapak/Ibu sekalian. Sampai jumpa di kegiatan the 4th ISC 2020.

Salam,

Safri Ishmayana

Dear the 4th International Seminar on Chemistry Participant,

Today the publisher of Research Journal of Chemistry and Environment will upload the manuscripts that are already accepted for publication to their website on <https://www.worldresearchersassociations.com/> click journals and then you can see special issue II August 2018. Please check your manuscript thoroughly and if you find something that need to be revised, please send the revision to the publisher by e mail to journal@worldresearchjournals.com with cc to isc.fmipa@unpad.ac.id. For your information, it is the journal policy that the last name of the author is written first followed by first and second name. If within 24 hours there are no revision from the authors, the uploaded article are considered as final and no change can be made after that.

Thank you very much for your participation and looking forward to meet you again in the 5th International Seminar on Chemistry in 2020.

Yth. Peserta the 4th International Seminar on Chemistry 2017,

Kami mendapat kabar dari penerbit, bahwa artikel versi terbaru artikel telah diunggah pada laman:

<https://worldresearchersassociations.com/SpecialIssueAugust2018.aspx>

Mohon agar artikel terkait agar diperiksa dan jika masih ada perbaikan, mohon disampaikan kepada penerbit sebelum tanggal 15 Agustus 2018 dengan mengirim e mail ke alamat journal@worldresearchjournals.com dan cc ke isc.fmipa@unpad.ac.id (tanda bagian yang direvisi dengan warna merah). Penerbit akan merevisi kembali pada tanggal 16 Agustus 2018.

Setelah itu, penerbit akan mengirimkan dokumen special issue ke Scopus dan Chemical Abstract untuk indexing, sehingga setelah itu tidak dapat dikoreksi kembali.

Atas kerjasamanya kami ucapkan terima kasih.

Salam,

Safri Ishmayana

Dear the 4th International Seminar on Chemistry participants,

We just got an information from the RJCE publisher that the newest version of your manuscripts are already available at:

<https://worldresearchersassociations.com/SpecialIssueAugust2018.aspx>

Please check your manuscripts and if there is anything need to be revised, send a request e mail to the publisher before 15 August 2018 by sending the revised version (with red highlight for the revision) to journal@worldresearchjournals.com and cc ke isc.fmipa@unpad.ac.id. The publisher will revise the manuscript on 16 August 2018.

Then the publisher will send the special issue to SCOPUS and Chemical Abstracts for indexing. After that no correction will be possible.

Thank you very much for your cooperation.
