NOTIFICATION OF ABSTRACT ACCEPTANCE – ICCC 2022

Dear Nurul Puspita Palupi,

Congratulations! Your abstract titled **“PARTICIPATORY MAPPING IN THE MAHAKAM DELTA, EAST KALIMANTAN”** has been accepted for a Presentation subjected to a double-blind peer-reviewing process conducted by the International Scientific Reviewing Committee of the 6th International Conference on Climate Change (ICCC 2022). On behalf of the Conference Organizing Committee, I would like to formally invite you to attend the ICCC 2022 to present your paper on 17th – 18th February 2022 in Virtual Platform.

ICCC 2022 is co-hosted by College of Science Center for Natural Sciences and Environmental Research, De La Salle University, Philippines and Association for Environment Management and Sustainability (AEMS). The Conference is organized by The International Institute of Knowledge Management (TIKM) associated with Forestry Faculty, Mulawarman University, Indonesia and School of Environmental Science and Management, University of the Philippines Los Baños, Philippines as academic partners of the Conference.

The Conference will create a great platform in meeting the needs of Researchers, Industry and the Policy Makers internationally by sharing Knowledge and Experience. The Internationally Renowned Speakers, Academicians, Researchers, Advocacy Groups and Delegates worldwide will participate in the Conference and discuss about the Climate Change, Environment and Global Warm in a global context.

All Accepted Abstracts for the ICCC 2022 will be published in the conference abstract book with an associated ISBN.

ICCC 2022 will be supported by high-ranked internationally peer-reviewed journals which are indexed in SCOPUS and other indexing databases. Registered participants are privileged to submit their full

De La Salle University

papers to these avenues for publication and we offer an enormous guidance and support for the participants to get their full papers published through the coordination and collaboration with these journals.

Moreover, participants have the opportunity to publish their full papers with the Conference Proceedings of ICCC 2022. Full Papers submitted for Conference Proceedings will be subjected to double-blind peer-reviewing process and will be published electronically with an ISSN 2513-258x along with the coverage of Google Scholar and Crossref. For more details, please go through our publication page climatechangeconferences.com/publications

Please visit the ICCC 2022 Website climatechangeconferences.com for more information. More details and instructions will be communicated closer to the event. More details and instructions will be communicated closer to the event.

Thank you for considering the 6th International Conference on Climate Change (ICCC 2022) to present your latest research work. We look forward to meet you at the Conference.

Yours Sincerely,

Isanka P. Gamage
Conference Convener
ICCC 2022
