Dear Mr. Ioan Valentin Petrescu-Mag,

I want to ask about the manuscript entitled, "**Pathogenicity assay of probiotic-potential bacteria from the Kelabau fish (*Osteochilus melanopleurus*)**" that I sent to the Aquaculture, Aquarium, Conservation & Legislation International Journal of the Bioflux Society on September 16, 2019.

Have you been accepted or how is it progressing?

I'm waiting for information from you about the status of the manuscript that I sent.

Thank you for your attention.

Sincerely,

Agustina

Dear Eniko Kovacs PhD.

I have revised my manuscript again and there is a correction in the information in Tables 1-5, T5 (BK).

I sent the revision again.

I am sorry for my inaccuracy.

Thank you very much

Kind regards

Agustina

Dear Dr. Agustina,

We would like to inform you that after the preliminary evaluation your paper is qualified for processing (reviewing).

Before proceeding to the review please consider that a processing publication fee of 250 USD is required. The average duration of the publication process is 10 weeks, but it can be reduced in exchange of a priority tax of 50 USD (<http://www.bioflux.com.ro/journal/>).

In case the manuscript is not published, the author or his/her institution is reimbursed (exceptions are made in the cases of poor feedback from authors or withdrawal/rejection due to multiple submissions).

I will be your editor and I will stay at your disposition for all the aspects concerning your manuscript.

Concerning the payment procedure, you will find all the details bellow and I would like to kindly ask you to send me the scanned receipt of the payment in order to start the publishing process. Upon reception of your payment receipt we will send you the invoice.

1st payment option:

Beneficiary:

Bioflux SRL

City: Cluj-Napoca ,

Country: Romania, European Union;
