Reviewer A:

**Abstrak:** sama sekali tidak ada temuan dampak pandemi covid19 terhadap pengelolaan keuangan masjid. Hanya menguraikan pengelolaan keuangan masjid. Sementara hasil dan simpulan banyak membahas tentang akuntabilitas rumah ibadah sebelum dan sesudah pandemi covid19.

**Hasil penelitian:** banyak menguraikan tentang akuntabilitas bukan pengelolaan keuangan. Jika fokus pada pengelolaan keuangan masjid maka harus diuraikan bagaimana perencanaan, penggunaan sampai pertanggungjawaban dan pelaporan dana masjid.

**Simpulan:** memaparkan pentingnya akuntabilitas, akuntabilitas sebelum dan sesudah pandemi sehingga belum menjawab tujuan penelitian

**Ada ketidakjelasan apa fokus yang diteliti** (pengelolaan keuangan atau akuntabilitas), perlu dikonsistenkan mulai latar belakang (tujuan penelitian), hasil dan simpulan penelitian.

**Tujuan penelitian berbeda** di abstrak, pengantar dan simpulan.

Judul disarankan: FINANCIAL ACCOUNTABILITY (FINANCIAL MANAGEMENT ACCOUNTABILITY) OF MOSQUE: THE RELIGIOUS AND HUMANIST SIDE EXPLORATION

---

Reviewer B:

1. Need to **synchronize** the formulation of the problem, methods, results and conclusions
  2. Methods need to be clarified
    - a. Can refer to Transcendental Phenomenology (Edmund Husserl) or
    - b. Social Phenomenology (Alfred Schutz)
  3. In the discussion, it is necessary to reveal **more deeply** regarding the **impact of covid 19 in the financial management** of mosques both internally and externally
  4. Pay attention to the focus of the research, is it the mosque, or the person? please to explain in the discussion part
  5. The conclusion does not mention the relationship between the impact of the pandemic and the financial management only in this mosque. Please relate with research question, the key are: pandemic, financial management, and repoting
