In the uncertain situation of publishing and indexing your journal, we realize that this is not easy. However, after a long discussion between authors, we agreed to continue the process of publishing the manuscript. We do not mind the things that have been mentioned earlier. This is very important, considering our time, effort, and focus to stick to the principles at the beginning.

Thank you and success.

Dear Researcher Greetings from GIAP This is to inform you that due to some unforeseen circumstances, HSSR wishes to hold the editorial procedure [reviewing, editing, publication] until further notice. Thanks for being patient with us.

We would like to ask about the continuation of our manuscript entitled "Family Business Background and Entrepreneurial University Environment Moderating Effect of Intentions to be Entrepreneur on Founding a New Business". In the last 3 months, we have always waited, until it is not clear when this manuscript will be published? Please explain from you and hopefully, it can be published in this March Edition (2021).
