The screenshot shows a news article on the website nomor.satu KALTIM. The article is titled "Dominasi Teknologi dan Kehidupan setelah Pandemi" and is dated 10 Mei 2020. The author is BENNY OKHAYANTO. The article discusses the impact of the COVID-19 pandemic on society and the role of technology in maintaining daily life. It mentions that the pandemic has changed the way people live and work, and that technology has become a crucial part of daily life. The article also mentions that the Indonesian government has issued a decision to extend the state of emergency until May 29, 2020, and that this decision is expected to have a significant impact on the economy and society. The article concludes by stating that technology will continue to play a major role in shaping the future of society.
